UNDER § 1.97 AND § 1.98

Sir:

This IDS is being filed to submit documents filed by Opposers in the European Patent Office (EPO) in Oppositions filed against corresponding European Patent No. 1489562, that have not yet been made of record in the present application. **The Examiner is reminded that pursuant to MPEP §2129, the “mere listing of a reference in an Information Disclosure Statement is not taken as an admission that the reference is prior art against the claims.”** As such, Applicants reserve the right to argue and/or show that certain documents listed herein have not been shown to be prior art against the present application.
